

# YURI LOWENTHAL

**Yuri Lowenthal** lives in Los Angeles where he writes, produces and acts. In 2004, Yuri launched **Monkey Kingdom Productions**, an independent film company, with business partner and wife, Tara Platt. MKP's first **feature film**, written by Lowenthal, **TUMBLING AFTER**, is due out in the spring of 2009. He and Platt currently have five feature scripts and are **co-authoring a book** on voice over. Yuri also penned the novel **Tough City**.

Lowenthal speaks **French, Japanese and German**, having been blessed with an exotic past. Yuri grew up throughout Africa and Europe in addition to the US. His body of work ranges from Shakespearean classics to world premieres, in addition to working in film, television, animation, web-series and making guest appearances at conventions around the globe.

A **philanthropist**, Yuri raises money for the charities he supports (Susan G Komen Breast Cancer Research and Project (RED)) and practices yoga. He is also trained in **Wu Shu Kung Fu**. He holds a BA in Asian Studies from **The College of William & Mary**.
